2012-2013 ANNUAL REPORT

Letter from the President and Executive Director

Dear Friends,

2012 – 2013 was a very busy and successful year for On My Own. On behalf of the Board of Trustees and staff, we want to thank you: the families, individual donors, community groups, corporations and foundations for your faithful and generous support. Your support allows On My Own to achieve our mission of helping our members "become independent, social and contributing members of our community".

After 15 years in its original site, On My Own moved to a new home in December of 2012. This new location was customized to meet our specific program needs including flexible and spacious classroom space, a comfortable member lounge and a soon-to-be-completed demonstration kitchen. And, thanks to your support, our very successful mini-campaign at the 2012 Gala raised enough funds to fully equip the new space. If you haven't visited the new office yet, please know that you are welcome to do so at any time.

In 2012 – 2013, On My Own benefitted tremendously through generous in-kind gifts and services from a number of supporters. Talmer Bank donated high-quality, solid wood office and waiting room furniture from three of its branch offices. With the creative help of Don Hoenig, long-time VMA President, and Rick VanHouse of Know Advertising, we were able to launch a fresh, new look and theme for the On My Own brand captured in the phrase, "I never thought I could…" Building on this new theme, Steve and Sue Witham of Rare MEDIUM Well Done, Inc., a Troy-based film and video production company, produced a powerful five minute video highlighting the success stories of our members. If you haven't viewed the video yet, visit www.youtube.com/onmyownofmichigan.

And, because of fundraising success in prior years, On My Own was also able to make major investments in much needed infrastructure in 2012 – 2013. Improvements included new laptop computers for staff, a state-of-the-art digital communications system, a 60" flat screen TV for classroom instruction, a high-quality photocopier/printer/scanner, updated employee handbooks and safety training manuals. And, thanks to the generosity of supporters at the June 2013 Annual Golf Outing, enough funds were raised to underwrite a much needed redesign of the On My Own website – www.onmyownofmi.org.

Although these are important successes for the organization, our most important successes remain the achievements of our members who continue to work hard at independent living, thrive in the workplace, build enduring friendships and give back to the community through volunteering. The Board of Trustees and staff of On My Own of Michigan remain committed to the success of our members and we thank you for your partnership and support that makes our efforts possible.

At On My Own of Michigan, we believe in...

- **Self-determination –** We believe we have the right to choose where we live, work, play and worship.
- **Empowerment –** We believe we can achieve our dreams of independent living by setting goals, making good decisions and working hard.
- **Interdependence –** We believe we succeed because we give as well as receive support. Our motto is "on my own and not alone!"
- **Community –** We believe in building strong and enduring friendships.
- **Citizenship –** We believe in giving back to our community by volunteering.

Program Description

On My Own of Michigan was developed to help adults transition from dependency to self-sufficiency. By providing guidance through all phases of this journey, OMO helps to cultivate self-esteem and self-reliance. The establishment and enjoyment of relationships and friendships is an important aspect of the program.

Members receive support, encouragement and participate in a variety of structured classes and social activities that promote growth, confidence and a strong sense of community. Professional counseling is available where appropriate. On My Own of Michigan has two program components: the Social Program and the Apartment Living Program.

Mission

On My Own of Michigan, Inc. assists adults with mild developmental disabilities to become independent, social and contributing members of the community. We believe individuals living with developmental disabilities have the right to choose where they work, live, play and worship. And, when given the opportunity, experience and appropriate supports, On My Own believes they can become active members of the community.

History of On My Own of Michigan, Inc.

On My Own of Michigan was established in 1997 as a private, nonprofit organization to serve adults with mild developmental disabilities including Down Syndrome, Autism Spectrum Disorder, Cerebral Palsy, Epilepsy and Seizure Disorders and Learning Disabilities.

In its 16 year history, On My Own has established a track record as an organization known for providing high quality services to its members and their families, solid board governance and oversight, professional staffing and fiscal responsibility.

On My Own receives very little governmental funding and our revenue is derived primarily from member fees, special event fundraising and the generosity of foundations, corporations and individual supporters.

David Matuszak

Dave is an energetic, humorous guy. He loves telling jokes to make his friends and family laugh. It is hard to believe that at one time he was new to On My Own and hardly knew anyone. Dave quickly learned that On My Own was a place he could be himself, have fun, and learn something new.

Dave was especially happy to learn that On My Own has its own bowling class. He immediately signed up, and has joined every year since! He enjoys everything the bowling class offers; the fun and a sense of community. In addition to the "fun", On My Own recognizes that the bowling class teaches appropriate behaviors in a social setting, good sportsmanship, leadership skills, and creates a team spirit.

Recently, Dave went to the Muskegon area with On My Own and had a great time as he rode on the rides at Michigan Adventure, and swam in the freezing cold lakes! On My Own of Michigan offers two trips per year – one local and one national. These trips have become an adventure of their own! With staff supervision, members learn the ropes of airline travel, mass transit, and the art of sharing hotel rooms. The trips also offer opportunities to experience different cultures and to broaden their horizons.

Dave has made many friends at On My Own, and enjoys spending time with them. When not working at Macy's (19 years), David can be found socializing with his friends, and having fun.

Vicki Jourdan

"I grew up in Missouri living with my family. Then I moved into a group home in Mississippi when I was in my twenties. After several years, I wanted to move to Michigan to follow my parents and younger sister. I lived with my parents for a little bit and then moved into Somerset Park Apartments with a roommate. I've been in my apartment and with On My Own for 12 years."

In those 12 years, Vicki has embraced her independence and uses each day as a learning experience as she continues to strive to be the best that she can be. Seeing her determination to achieve the goals she sets for herself is truly inspiring.

Apartment Living Program

- Social Program Involvement
- Live Independently
- Develop and Maintain Good Habits
  - hygiene
  - daily living habits
  - housekeeping
  - healthy diets
- Work with OMO Supports Coordinator
  - bill paying
  - budgeting
  - menu selection
  - food shopping
  - roommate relations

When asked to compare On My Own to the group home in Mississippi, Vicki stated, "In the group home, my time was scheduled for me. I had people coming in and out of my house all the time, and I worked in a workshop packaging tools and all kinds of things. I didn't like it very much. At the time it was okay, but you never knew what they were going to have us doing next".

"At OMO, I am able to create my own schedule and do what I want to do. I volunteer at the Zoo and Troy Library because I enjoy it. Now, it's my friends coming over to my apartment to visit. I have a lot of friends at OMO. We have craft nights, go out for dinner, and work in the garden together. It makes me feel happy."

Vicki is an active member of the OMO and Troy community. She volunteers twice a week at the Detroit Zoo taking care of the beautiful gardens and flower plots throughout the exhibits. Vicki has a real passion for gardening and is a driving force in maintaining the OMO garden located in Somerset Park Apartments. Vicki also volunteers at the Troy Library once a week, returning CD's and audio books back to their designated shelves and is a member of the Christ Our Light Church choir. On top of those responsibilities, Vicki participates in On My Own classes, outings, and trips.

"I really like the classes at On My Own; my favorite was gardening. I also like that I have a support coordinator that I can talk to and help me out with things and I like being close to my family; watching my niece and nephews grow up is really neat".

2013 Events

The 2013 Annual Celebration Banquet was themed "All About Us!" Throughout the year, members worked on a personal portfolio showcasing the people, trips and activities that were important to them. Each member was given an opportunity to share a portion of their portfolio as they were interviewed by WDIV's Steve Garagiola. The World of Erhard and Mr. Erhard Dahm received OMO's "Community Partner Award", Dick Baker, Maria Brown, Beverly Schroeder and Kathy and Mike Mehrman were awarded the "Above and Beyond" Award. The "Member Employer" Award was presented to Robin Landry from McDonald's. The evening was capped off with an outstanding performance by the OMO choir class. The annual banquet is planned by the OMO staff and celebrates our member's lives and the community they have created.

In March, OMO members, families and friends spent an afternoon bowling at Astro Lanes for the annual Family Fun Bowl. This event raised over $11,000; much of which was raised by the members as they collected pledges in support of the agency. This event is truly a fun, family event – complete with lunch, bowling, contests, and door prizes.

The 16th Annual Golf Outing was a great success! Golfers enjoyed the day at Paint Creek Country Club – complete with lunch, golf, contests, beverages, dinner and an auction! The emotional OMO video was unveiled during dinner and received rave reviews. Thank you for supporting this event which raised over $25,000 with an additional $6,000 to redesign the OMO website.

We raised the roof at the 16th Annual Gala Fundraiser! There was an undeniable energy in the room as guests danced to the music of "Purdy Good" at the relaxed and casual "Diamonds and Spurs" event. Thanks to local businesses and families for providing the endless buffet and silent and live auction items. Over $35,000 was raised making it one of the most successful Gala's ever! Get ready for next year's "50's Sock Hop!"

"Above and Beyond" Award

The annual "Above and Beyond" Award is for individuals involved with On My Own of Michigan who have gone way beyond what was expected. Members, volunteers, family members, staff members, teachers, and Board members are all eligible for this award.

This year's "Above and Beyond" Award winners are Don Hoenig and Chuck Munselle.

Mata Hoenig, Chuck Munselle, Don Hoenig

Don Hoenig
When On My Own started, Don and Mata Hoenig were one of the founding families and Don served on the Board of Trustees. Later, when the Voting Members Association needed leadership, Don assumed the role as President for a number of years. And this past year, when On My Own needed a new brand, Don and his colleagues at Know Advertising applied their creative skills to the challenge. As a result, On My Own now has an exciting and fresh look and a theme that succinctly captures why the organization and its members succeed.

The new theme - "I Never Thought I Could…" - celebrates the successes of On My Own's members who consistently overcome personal and societal barriers and achieve more than anyone expected - including themselves. This new brand and theme will provide the foundation for On My Own's marketing program for the next few years and will undoubtedly connect with the public in an exciting and positive manner.

Thank you Don for your tireless efforts to help out wherever and whenever asked.

Chuck Munselle
When On My Own moved into its new office in early 2013, we were very excited because space had been set aside for the installation of a demonstration kitchen. And, thanks to the support of OMO families and friends, more than $25,000 had been donated to outfit the new classroom, member lounge and kitchen. But, the challenge was to make the funds stretch as far as possible. Enter Chuck Munselle.

Over the next ten months, Chuck devoted countless hours helping us connect with an architect to draw the required plans; working with the cabinetry company to secure high-quality cabinets at a builder's discount; wading through the permitting process with the City of Troy; and securing other contractors to take care of the electric, plumbing and venting installation at donated or reduced rates.

And, that's not all. After jumping through all those hoops on our behalf, Chuck and his partner, Lew Schlanbusch, installed the cabinets, countertops and appliances and now the kitchen looks great! Thank you Chuck and Lew for your donation of time, energy, expertise and, most importantly, perseverance!

"Above and Beyond" Award

VANKER | SAAD
FAMILY & COSMETIC DENTISTRY

Dr. Vanker, Dr. Saad, and staff have a standard of excellence they continue to adhere to consistently through their work in dental care. Both Dr. Vanker and Dr. Saad service a handful of our members at On My Own of Michigan with compassion and care, while also creating a friendly environment. The office staff is an absolute pleasure to work with and makes scheduling appointments flexible and convenient. We are truly grateful for their hard work and dedication to our members.

"Community Partner" Award

Steve and Sue Witham of Rare MEDIUM Well Done, Inc.
In order for On My Own to successfully share its story, we knew that an engaging, upbeat and heartfelt message was needed. That's where Steve and Sue Witham of Rare MEDIUM Well Done, a Troy-based video production company, stepped up and saved the day! Steve, Sue and friends shot more than 20 hours of video with On My Own members and their families and distilled it into a remarkable five minute video that brings both a smile and a tear to all who view "I Never Thought I Could…"

So far, "I Never Thought I Could…" has deeply touched hundreds of viewers and will continue to do so as we use its powerful message to reach new audiences and make new friends. On My Own is thrilled to recognize Steve and Sue Witham of Rare MEDIUM Well Done, Inc. as this year's recipient of our Community Partner Award. Thank you Steve and Sue for your incredible gift to On My Own!

"Member Employer" Award

Nino Salvaggio
INTERNATIONAL MARKETPLACE

Finding employment for individuals with developmental disabilities can be a challenge! However, Nino Salvaggio's not only supports On My Own of Michigan through donations, but also employs two of our members! Both members report they enjoy their job duties and their friendly coworkers. We would like to thank Nino's and Mary and Kirk Taylor for their continued support throughout the years.

A Financial Picture of On My Own of Michigan

On My Own of Michigan is a fiscally strong organization thanks to sound financial leadership from the Board of Trustees. As these tables and graphs demonstrate, On My Own has been a conscientious and responsible steward of the resources contributed by its supporters. With a commitment to long-term financial stability and sustainability, the organization has worked hard to keep management and fundraising costs in check so the majority of funds go to support a broad base of program activities.
