

# Our 2023 Mid-Year Impact Report

Here's what we accomplished in the first half of 2023...

96

We worked to **make independent living possible** for 96 people, 33 of whom were new to our community.

*"My daughter wouldn't be where she is today without On My Own of Michigan."*

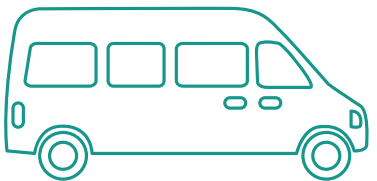

We put the finishing touches on our plans for the **first year of Independence College** and will welcome six students in September!

6

500

We provided more than 500 hours of **personalized independent living support** to members of our Independent Living Program and **launched an internship program for four underrepresented social work and special education college students**, funded through Community Care Corps, to provide even more support to our members.

A generous donor also bought us a **new 15-passenger van!**

39

We hosted 39 teens and young adults for **overnight independent living experiences** through Independence Prep and **launched two scholarship funds** for Independence Prep students thanks to the McFawn Family Scholarship Fund and the United Way of Southeast Michigan.

129

We offered 129 **skill-building workshops and social activities** through our Skill Building Program.

\$100K

Thanks to an amazing \$100,000 grant from Paula and Marks Angel Fund, as well as the tireless work of a dedicated group of families, we'll **soon be launching a pilot program to deepen our services and strengthen our work.** More to come soon!

# Our 2023 Mid-Year Impact Report

Here are ways you can help us impact more people!

**Give a one time or monthly donation**, gift us stock, or remember us in your will.

**Help us find our future home!** After learning the parcels of land we were considering in Rochester Hills wouldn't work for our planned affordable housing community, we're back searching. Let us know if you spot any land or buildings for sale for less than \$1MM that could be transformed into apartments in or nearby Troy (it's like finding a needle in a haystack!)

**Purchase an item from our Amazon wish list** at [tinyurl.com/onmyownwishlist](https://tinyurl.com/onmyownwishlist)

**Volunteer your time and talents** to help our programs thrive.

*"On My Own of Michigan is the best program we've ever been part of."*

**Follow us on Facebook + Instagram** to see what we're up to each day.
