INDEPENDENCE ACCELERATOR

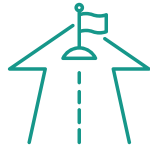

Independent Living: From Vision to Reality

Feeling overwhelmed by what comes next?

Join On My Own of Michigan's three-part workshop series designed to help families make independent living possible for their loved one.

Drawing on our 30 years of experience, we'll help you understand your options, build a practical plan, and take meaningful steps toward a more independent future, with guidance and support every step of the way.

Session 1 | January 23 | 9 am - 12 pm

Creating your vision for independent living and navigating benefits

Session 2 | February 20 | 9 am - 12 pm

Identifying the right housing solution, finding roommates, and assembling your support team

Session 3 | March 20 | 9 am - 12 pm

Preparing to move and creating a foundation for long-term success

The roadmap every family wishes they had.

Leave each session with practical tools, clear next steps, and measurable progress, with coaching and support available between sessions to help turn plans into action – all for only **\$300 per family**.
